Community Service

- Comm. S 01 – 1 credit hour

WJC Aims to influence Students towards positive Citizenship.

A period of Community Service must be done by all students in their Second Year of the 3 Yr. Associates Program.

Duration: 15 hours over the period weeks 4-14 of the second semester

Students can work in groups

Students will identify the area of service and get approval and guidance.

Students will present a portfolio of service done, and a grade will be assigned to this portfolio.

Students will be observed at random times during the program.

Total Credit hours needed for Graduation = 73
